Create a variety of everyday documents with this small business printer that features standard networking.

Rely on robust performance for the whole workgroup and print consistently high-quality documents with print speeds of up to 40 ppm.

Share the printer and increase workgroup efficiency with an HP Jetdirect Fast Ethernet embedded print server and expand your printer's capabilities with two available EIO slots.

Enhance your potential with paper-handling flexibility by increasing your maximum input capacity to 3,100-sheets with optional 500-sheet input trays and the optional 1,500-sheet tray.

The control panel features up to four lines of text with helpful animated graphics, so you can easily determine printer and job status and correct problems that arise.
